

CONFIRMATORY ASSIGNMENT

WHEREAS Corporation for National Research Initiatives ("CNRI"), the Internet Society ("ISOC"), and the Internet Engineering Task Force ("IETF") are parties to a certain Trust Agreement dated December 15, 2005 (the "Trust Agreement") pursuant to which the IETF Trust, a Virginia trust ("Assignee"), has been formed for the purpose of holding certain intellectual property rights, and

WHEREAS, pursuant to the Trust Agreement CNRI and ISOC have assigned all of their right, title, and interest in and to various intellectual property assets to Assignee, and IETF has released, remised, transferred, and quitclaimed to Assignee all of its right, title, and interest, if any, to various intellectual property assets, and

WHEREAS, CNRI and ISOC wish to confirm their assignment of, and IETF wishes to confirm its release, remise, transfer, and quitclaim of rights in, certain trademarks and services marks to Assignee pursuant to the Trust Agreement;

NOW THEREFORE, for good and valuable consideration, the sufficiency and receipt of which is acknowledged, CNRI, ISOC and IETF hereby confirm the assignment and transfer to Assignee, without representation or warranty on an "AS IS" quitclaim basis, of any and all of their right, title, and interest in and to the trademarks and service marks, as well as the trademark and service mark applications and registrations, set forth on Attachment 1 to this Confirmatory Assignment, together with all goodwill of the business symbolized by and associated therewith, and including all right to sue for past infringement thereof.
