

CONFIRMATORY LICENSE

This Confirmatory License ("License") dated May 22, 2007 is entered into by and between Internet Society ("SPONSOR"), a non-profit organization incorporated under the laws of the District of Columbia, acting on behalf of the IETF Administrative Oversight Committee ("IAOC"), on one hand, and the University of Southern California ("UNIVERSITY"), a nonprofit educational institution incorporated under the laws of the State of California on the other hand.

WHEREAS, the UNIVERSITY performed certain editorial and publication activities in connection with the IETF RFC series of documents (the "RFC Editor Functions") prior to October 1, 1998, and

WHEREAS, the parties now wish to clarify certain matters relating to any intellectual property rights that may have been generated in connection with UNIVERSITY's performance of the RFC Editor Functions during that period prior to October 1, 1998,

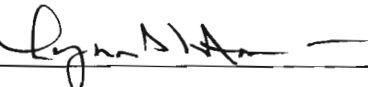

NOW THEREFORE, in consideration of the premises and mutual covenants herein contained and other good and valuable consideration, the parties hereto agree to the following:

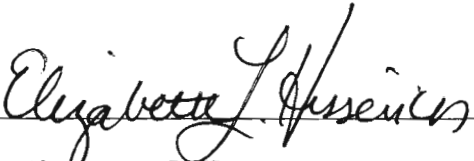

1. UNIVERSITY does not claim any patent, copyright, database, trade secret or other intellectual property rights ("IP Rights") in or to any software, database, compilation, written material or other work product conceived, invented or developed in connection with the performance of the RFC Editor Functions by or for UNIVERSITY prior to October 1, 1998 ("Work Product").
2. To the extent that UNIVERSITY may retain any IP Rights in or to any Work Product, UNIVERSITY hereby grants to SPONSOR a non-exclusive, worldwide, royalty-free, fully-paid, perpetual, irrevocable right and license (including the right to sublicense) under all such IP Rights, retroactive to the date of creation, to exploit such Work Product in every manner.
3. UNIVERSITY disclaims all warranties whatsoever, express or implied, with respect to the license granted herein, including any implied warranty of merchantability or fitness for a particular purpose. UNIVERSITY shall have no liability to SPONSOR or any third party acting on behalf of SPONSOR with respect to any claim that such license, or any Work Product or IP Rights, are inadequate or unfit for the purposes for which they were commissioned, or for infringement of any third party's patent, copyright, database, trade secret or other intellectual property rights.
4. In the event of any conflict between this License and any agreement between SPONSOR and UNIVERSITY prior to October 1, 1998, the terms of this License shall prevail.

5.. TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY OR ANY THIRD PERSONS FOR ANY INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING LOST PROFITS) ARISING IN ANY MANNER OUT OF OR IN CONNECTION WITH THIS AGREEMENT, WHETHER OR NOT SUCH PARTY HAS BEEN ADVISED OF OR OTHERWISE MIGHT HAVE ANTICIPATED THE POSSIBILITY OF ANY SUCH DAMAGES. TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY OR ANY THIRD PARTY PURSUANT TO THIS AGREEMENT FOR ANY AMOUNTS, IN THE AGGREGATE, IN EXCESS OF FIFTY THOUSAND DOLLARS (US\$50,000). THE LIMITATIONS SET FORTH IN THE TWO FOREGOING SENTENCES DO NOT APPLY TO ANY DAMAGES ARISING FROM GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

Executed as of the date first written above:
