

## Requests for Information Schedule of Fees

To produce information and authenticate documents in response to subpoenas and other legal requests:

- a. \$350 per subpoena or other legal request plus \$50 per document and other requests for authentication of documents in a single case, such as Internet-Drafts, RFCs, and emails.
- b. An additional \$500 per subpoena and other requests for authentication of documents requiring production of hardcopy, warehoused documents, such as blue sheets.
- c. In addition to the charges above, other expenses to include any extra legal fees from counsel, travel or other out-of-pocket expenses (e.g., out-of-town depositions or copying fees), such expenses to be cleared in advance with the requesting party.
