

**Amendment Two: Contract Renewal**

This Amendment amends the Secretariat Services Agreement dated 22 January 2012 and is entered into by and between Association Management Solutions, LLC, a California Limited Liability Company ("AMS") and the Internet Society, a District of Columbia nonprofit corporation ("ISOC"), acting on behalf of the Internet Engineering Task Force ("IETF") through the Internet Administrative Oversight Committee ("IAOC"). AMS and ISOC are collectively referred to herein as the "Parties", and each is individually referred to as a "Party". February 1, 2016 is the "Effective Date" of this Agreement.

**1. Term.**

This Agreement is hereby renewed to extend the 2012 Agreement for three years, that is, from 1 February 2016 until 31 January 2019, the 2016 Renewal Term.

**2. Payments. The % has been removed for business confidential reasons.**

The AMS fee shall increase % for the first 12 month period, % for the second twelve month period and % for the third twelve month period.

**3. RFC Publisher**

This renewal also includes services as the RFC Publisher.

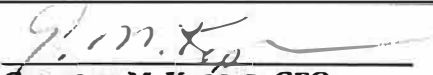

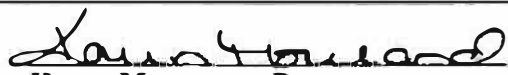

**4. Termination of Subset of Work**

ISOC may terminate this Agreement as to a subset of the Work upon ninety (90) days written notice.

**5. Scale Back**

For budgetary or other reasons the IETF may find it necessary to scale back on the support it receives from and the payment it makes to AMS. AMS agrees to cooperate with the IETF by recommending service cutbacks and priorities to achieve the scale back target. Further, AMS agrees to cut back such services and fees as may be agreed to in writing between the parties.

**In Witness Whereof**, the Parties hereto have executed this Agreement as of the Effective Date:
